

Teacher:

*Describe the role of citizens in various governments in the Eastern Hemisphere.*

Define citizen:

[illegible]

--	--	--

Look at the chart and explain in detail the role of citizens in Ancient Roman government. Consider who is being represented and who is left out. Use specific and concrete details to make your connections.

After analyzing the role of citizens, argue your opinion: did the people of Rome play an active role in their government? Were they represented fairly? Give your opinion and back it up with concrete details!

Create a cause and effect chart with at least 3 steps to explain how the Plebeians strike led to the formation of the Bill of Rights in modern United States

## Standard 7.19 Activity

*Analyze the significance of documents on the development of modern governments*

Describe the 12 Tables of Rome.

Describe the Bill of Rights.

Analyze the purpose and significance of the 12 Tables of Rome. Justify your opinion with concrete examples.

On a separate piece of paper, create a Venn Diagram, paragraph, or chart to analyze the similarities between 3 Bill of Rights amendments and 3 Tables of Rome. Then, analyze the differences between 3 Bill of Rights amendments and 3 Tables of Rome. Attach your work onto the packet when you have finished.

Analyze how the 12 Tables of Rome impacted US government.
